New Landscaping Company

We would like to introduce Brightview Landscaping as the new landscaping company for Village Green. We already see a tremendous amount of progress amongst the Community. Thank you to all the residents who reached out to us with their concerns. You made it possible for us to compile a list of areas to be addressed.

Should you have any concerns regarding the Common Area please feel free to reach out to Chris or Angelina, at 520-623-2324. We will add your concerns to the log and pass it along to Brightview.

Common Area Dumping

Although your Association greatly appreciates any efforts that are being made for the upkeep of homeowner properties, we would like to ask that no trimmings, debris, pet waste or anything else of that nature be dumped into Common Area, including washes. Please dispose of these items properly.
